## M. E. CONFERENCE APPOINTMENTS

### REV. HAMILTON RETURNS TO TO COVINGTON CHURCH

Bishop Atkins Shakes Up Memphis District—Rev. Hart Remains On Covington Circuit, While Rev. Joyner Goes To Campground—List of Those Transferred—Myers and Clark Changed.

With the reading of appointments at the close of the greatest Memphis conference ever held in its 82 years of history, at 4 o'clock Monday afternoon, Bishop James Atkins shook up the Memphis district from one end to the other with 15 changes, 11 of which affect the city of Memphis and the other four are in the suburbs and adjoining communities.

Quite a number of other changes were made throughout the conference area. Rev. L. D. Hamilton was re-appointed for the Covington station and Rev. W. W. Armstrong was re-appointed presiding elder for the Dyersburg district, which includes practically all the Methodist churches in this county.

Rev. John T. Myers, former pastor of the local church, was transferred to the First Methodist church in Jackson, after serving his quadrennium in Mayfield, Ky.

Rev. Robert A. Clark, who also served the First church here, was appointed pastor of the Union Avenue church in Memphis, being removed from the bishop's cabinet as presiding elder of the Union City district, which charge he has served for the past two years.

Reports of the committee on statistics show the present total membership of the Memphis conference to be 79,456, a gain of 291 over last year; 2,806 adults and 798 infants baptized during the year; 151 Epworth leagues, with a total membership of 5,478. Money raised by the conference for all purposes amounts to \$864,878. There are 550 Sunday schools with 4,953 officers and teachers.

The final report of the Board of Missions, read by Dr. John T. Myers, newly-appointed pastor of First church, Jackson, Tenn., shows a total appropriation of \$14,550. The conference was assessed by the General Board of Missions, \$20,156.90 for foreign missions, \$6,529.70 for home missions, and \$13,000 for conference missions.

Finances of the board of church extension show a balance on hand at the beginning of the conference of \$825.75. Received on assessment, November 11, \$7,938.38, making a total of \$8,764.13. After \$2,200 has been passed to the credit of the Memphis conference, a balance of \$4,189.13 will be left in the hands of the general board.

## Roll Call Falls Short of Quota

Much disappointment is felt by the leaders in the annual Red Cross Roll Call over the response. It is estimated that only 400 members have been secured, while only \$250.50 has been turned into the treasurer, Mr. David Goddard. None of the branches have been heard from and many in town have not yet rendered their reports. Detroit obtained their quota the first day and phoned for more buttons that they might enlist others. Their final report has not come in, but their success is assured.

It is understood that renewed efforts will be made by the committee to secure memberships. Workers will be placed on the square on Saturday to solicit. All who have not yet renewed their memberships, or joined are asked to take advantage of this opportunity, or leave their \$1.00 with Mr. Goddard or Miss Hawkins at the Tipton County Farmers Union Bank. Although life memberships were taken out by many during the war, the money was sent to national headquarters and Tipton county received none of it. Of the money raised this year, one-half will remain in Tipton county to carry on the community work recently instituted. This work is of benefit to Tipton county. Show us evidence of it by contributing \$1.00 to support it.

### BAPTISTS EXTEND CALL TO DR. T. W. YOUNG

At a congregational meeting of the First Baptist church Sunday morning a call to the pastorate of that church was extended to Dr. T. W. Young, D. D., of Columbia, Mo. As we go to press the officials of the local church inform us that Dr. Young has not replied as yet, either by wire or letter as to his acceptance or rejection of the call.

Dr. Young is well known in this city and as a native of Haywood county, having been reared in the Stanton vicinity. His mother, Mrs. W. T. Young, of Memphis, formerly resided here, during which time the son frequently visited her. Dr. Young is a very prominent minister of his denomination, having held some very important charges in some of the larger cities of the country. He was pastor of the First Baptist church in Ann Arbor, Mich., for a number of years, and also served a large congregation in the city of Detroit.

It is not known whether Dr. Young is in a position to consider seriously the call of the local church, but it has been ascertained that he is anxious to return South for a pastorate. The lay leaders of this church express the hope and belief that Dr. Young will accept the call. They expect to hear from him on the subject the latter part of this week.

### ARMISTICE DAY PROGRAM

A large crowd gathered in the auditorium of the grammar school building last Friday evening to observe Armistice Day with a very fitting program.

Mr. E. H. McFadden, one of the most prominent business men of the city and a leading church layman, presided, introducing each member on the program. Hon. L. E. Gwinn was the principal speaker of the evening, delivering an eloquent and patriotic address.

The local Red Cross report was read to the audience by Miss Margaret Hawkins, home secretary of that organization, who made some timely and instructive remarks regarding the activities of the Red Cross in Tipton county. ## DRASTIC PROPOSALS FOR DISARMAMENT

### SECRETARY HUGHES PLAYS STRONG CARD FIRST

Secretary Proposes That the United States, Great Britain and Japan Scrap Sixty-six Capital Ships—Other Powers May Agree To Uncle Sam's Plan—Kansas City Post Says Wilson Has Triumphed.

More drastic and far-reaching than the most ardent advocate of disarmament dared to hope, America's proposals were suddenly laid before the arms conference Saturday at its first session by Secretary Hughes.

A 10-year naval holiday is the proposal in short, and it was proposed by Secretary Hughes that the United States, Great Britain and Japan shall scrap 66 capital ships aggregating 1,378,043 tons.

Within three months after the conclusion of an agreement the United States would have 18 capital ships, Great Britain 22 and Japan 10. The tonnage of the three nations respectively under such a plan would be 500,650; 604,450 and 239,700.

Ships when 20 years old, might be replaced, under the plan, and the replacement scheme is 500,000 tons for the United States, 500,000 for Great Britain and 300,000 tons for Japan. No replacement ship could exceed 35,000 tons.

The United States would scrap 30 capital ships aggregating 843,740 tons; Great Britain 19 aggregating 583,375 tons and Japan 17 aggregating 448,928 tons.

The figures include old ships to be scrapped, ships building or for which material has been assembled.

A great burst of applause greeted President Harding as he strode into the hall and all delegates rose. The president took up a place between Mr. Hughes and Mr. Balfour, and after being introduced, proceeded to his opening speech and welcome.

The delegates were stunned by the American proposals offered by Secretary Hughes, but when the news was heralded abroad it met with favorable comment in all countries represented at the conference.

The principal features of the American plan propose this:

That for not less than 10 years competitive naval building cease as between Great Britain, the United States and Japan.

That all capital ships building or planned, be scrapped and the few recently placed in the water be destroyed within three months after ratification of the agreement.

That the older ships of each fleet be destroyed, reducing the British force to 22 battleships, the American to 18 and the Japanese to 10, each ship to be retained to be specifically named.

That during the agreement no capital draft can be laid down except under a detailed replacement scheme included in the proposal, which would provide for ultimate equality of the British and American fleets and for a Japanese force at 60 per cent. of the strength of either of the other two.

That all other naval craft be similarly provided for in the same ratio, specific figures for aggregate tonnage in each class being laid down.

That naval aircraft be disregarded in the scaling down process as a problem incapable of solution owing to the contrivability of commercial aircraft for war purposes.

That no naval building of any character be undertaken in any of the three countries on foreign account during the life of the agreement.

That no capital ships hereafter laid down exceed 35,000 tons.

That the life of a battleship shall be fixed at 20 years and that ships to be replaced be destroyed before the replacement vessel is more than three months past completion.

That no battleship replacement whatever be undertaken for 10 years from date of the agreement.

That no combat craft be required except by construction and none be disposed of that it might become part of another navy.

That regulations to govern conversion of merchant craft for war purposes be drawn up because of the importance of the merchant marine "in inverse ratio to the size of naval armaments."

At the conference meeting Tuesday, Great Britain, France, Italy and Japan formally accepted in principle and spirit the American proposals, pledging their adherence, and began discussions of details. The American proposals will form the basis for the discussions.

The Far Eastern and Pacific problems were considered as the next most important subject for the first time Wednesday.

"The naval holiday laid before the arms limitation conference by Secretary Hughes is a triumph for Woodrow Wilson and the ideals for which he was crucified," said the Kansas City Post editorially Sunday.

—Rev. R. W. Newsom, D. D., of Selmer, Tenn., will preach at the Second Methodist church and Pisgah next Sunday at the usual hours—Pisgah at 11 a. m. and Second church at night. He is the new pastor who succeeds Rev. J. W. Joyner. Dr. Newsom is one of the church's strongest men and a most worthy and popular pastor and his new people will accord him a most cordial welcome.

## SOCIAL CONFERENCE HERE TUESDAY

### IMPORTANT PERSONAGES WILL ATTEND MEETING

Frank Discussion of Social Problems At West Tennessee Conference Next Week At First Methodist Church—Red Cross in Charge of Arrangements—Lunch To Be Served in Church.

Covington will entertain many people of prominence on November 22, when the West Tennessee Conference of Social Workers convenes at the Methodist church. The one-day session will be of special interest to the public-spirited citizens of Covington, who wish to see the evils of disease, poverty and other bad social conditions eradicated. There will be a frank discussion of these problems, led by experts in their particular fields, and questions from the floor will be welcomed.

Covington and Tipton county seldom has the opportunity to hear such celebrities discuss these questions of vital importance, and it is hoped everyone will arrange their affairs so that they can be present. It is the duty of the people to see that had social conditions are improved, and that done immediately. Public sentiment is the one great factor in this. The Leader heartily endorses this move of the local Red Cross and urges all to attend. A luncheon will be served by the ladies of the first Methodist church to the delegates and all town people desiring to be present.

Among those to be present are: Mr. Joseph C. Logan, assistant manager Southern Division, A. R. C.; Miss Louise Bignall, secretary Associated Charities, Knoxville; Miss Margaret Ambrose, assistant director, Division of Extension, University of Tennessee; Mr. R. F. Hudson, secretary Associated Charities, Chattanooga; Miss Margaret Hunt, director Children's Bureau, Chattanooga; Mrs. Clarence Steward, president Tennessee Federation of Women's Clubs, Chattanooga; Mrs. Aaron Green, secretary Associated Charities, Shelbyville; Mrs. John Hill Eakin, chairman Board of State Charities; Mr. W. ### DR. LINDSEY HONORED

Dr. Lawrence J. Lindsey was distinctly honored last week by the Tri-State Medical Association at its meeting in Memphis, when he was elected vice-president of that organization.

Dr. Lindsey is one of the younger physicians of this city, who has acquired a very lucrative practice. He has been a prominent and active member of the various medical societies throughout Tennessee for a number of years. We need hardly say that he will acquire himself efficiently and admirably as vice-president of the Tri-State Medical Association.

### LYCEUM COURSE PRESENTS READING ARTIST

Monday evening, November 21, the local Chautauqua Club will present Miss Annie Davault, a profoundly dramatic reader of the Lyceum course.

Local people are very much interested in Miss Davault's appearance. Probably no reader in the country has aroused more genuine enthusiasm or given such deep enjoyment as Miss Davault with her appealing charm and rare versatility. Among her most popular plays are "The Music Master," "Polly of the Circus" and the delightful "Peg O' My Heart." She is a reader of exceptional ability, who interprets whatever she attempts with the perfection which astonishes a most exacting critic.

### Messrs. W. E. Richardson, W. P. Butler and L. M. Leftwich

Nashville, representing the Southern Surety Co. in the contract with that firm and the corporation of Covington, arrived here Wednesday morning to make a final settlement for the street improvement work recently completed here. It is thought the settlement will be made by the end of the present week.

## Front Foot Levied For City Streets

### THE BOARD OF MAYOR AND ALDERMEN HAVE COMPLETED THE ASSESSMENTS OF ALL THE STREETS LATELY IMPROVED.

The front-foot assessment on South Main street is \$4.75 per front foot; on Liberty avenue, \$5.594 per front foot and on North Maple street and Sherrod avenue it is \$4.278 per front foot; South Maple street, \$4.058.

The assessment in each improvement district is uniform, except at street intersections the corner lots pay an additional assessment to take care of the street intersections. This is in accordance with the law, state the authorities. Also where driveways have been constructed a normal charge of \$15 for a single driveway and \$30 for a double driveway has been added to the assessment where the driveway was constructed.

These assessments are all due in cash within 30 days from November 15, or on or before December 15, 1921; but any property owner desiring to do so may pay the same in five installments, one-fifth cash before the 15th of December and by agreeing to waive any irregularities in the assessment and to pay the other installments in four equal payments, each to bear interest from date at six per cent., payable semi-annually.

Only two protests or objections were filed to the assessment, one by Judge S. E. Stephenson, as to the one on Maple Street, and one by Gen. John A. Tipton, as to his assessment on South Main street.

### ANOTHER FIRE AT MASON

Mason was the scene of a disastrous fire last Thursday night, which threatened destruction of the whole business section. The fire, it is thought, had its origin in the Dixie Cafe, which was destroyed, with two other frame buildings next to it.

The fire was first detected about 10 o'clock and was making a menacing headway, when a bucket brigade was organized, saving the neighboring structures by extinguishing the burning debris of the three buildings already leveled to ashes. The men worked and fought untiringly for several hours before the fire was completely under control.

The buildings laid to waste were the postoffice, owned by Mrs. Kate Booker; the Dixie Cafe, property of Esq. J. J. Mann, and the barber shop belonging to D. P. Transou & Co. The buildings and contents were a total loss, nothing being saved except the chairs. The damages are estimated at from \$5,000 to \$8,000.

This is the second disastrous fire that has visited Mason this year, the first occurring last summer, when several brick buildings were lost. It will be remembered that a distress call was sent to the Covington fire department, to which that organization responded.

### PROMINENT CITIZEN ANSWERS SUMMONS

Charles Judson Simonton 59 years of age, died at his home in Atoka at 12 o'clock noon Tuesday, after being in very feeble health for a period of five years. He was the last of a family of seven children to answer the final summons.

Mr. Simonton was a very prominent citizen of this county, having represented his district in the county court for a number of years. He was an elder and a leading layman in the Presbyterian church for 20 years, being very active in the advancement of church work, and was highly esteemed by all who knew him.

Mr. Simonton was born in Tipton county September 24, 1862. On December 21, 1887, he was married to Miss Fannie E. McLaughlin, who survives him, as do one son, Mr. Barne Simonton, of Millington, and two daughters, Mrs. Bessie W. Boyd, of Atoka, and Mrs. W. B. Gragg, of this city, and five grandchildren.

The funeral was held in the Atoka Presbyterian church Wednesday morning at 11 o'clock, Rev. L. N. Blackwelder, of Mt. Carmel, assisted by Revs. C. B. Betts of Salem and R. W. Carson of Rosemark, conducting the services. The burial took place thereafter.

### PRESBYTERIANS TO HEAR REV. ALGERNON KILLOUGH

Rev. Algernon Killough, of Ripley, is to preach at the First Presbyterian church Sunday morning, November 20. Mr. Killough has recently come to Ripley as pastor of the Presbyterian church, after a pastorate in Eminence, Ky.

Mr. Killough has come to the notice of the entire Southern Presbyterian church through his sermons, which have been published from time to time in the Christian Observer, a religious weekly of Louisville, which reaches a large number of people throughout the South.

It is planned that on Sunday morning Mr. Sherrill will preach in Ripley while Mr. Killough is in Covington. Each pastor is to preach in his own church Sunday evening.

The hour of all the evening services of the First Presbyterian church is now 7 o'clock.

—Mrs. A. G. Hawkins, of Fredricksburg, Va., arrived Tuesday evening to make her home in this city with her daughter, Miss Margaret B. Hawkins. They are occupying rooms at the residence of Mrs. Albert Hall.

## HANDSOME BUILDING NEARING COMPLETION

### COVINGTON SUPPLY CO. MOVES INTO NEW HOME

New Building is One of the Most Attractive Department Stores in West Tennessee—Equipment For Retail Dry Goods Business Modern and Scientifically Arranged—Officers and Sales Force.

With the installment of fixtures and a complete stock of goods for every department of the business, the Covington Supply Company is now ready to receive their friends and customers in its new and magnificent home erected on the same site where the old building stood before it was destroyed by fire late in the spring.

The new structure is modern in every respect. Expense was not spared in making it one of the most attractive retail department stores in a city of a half million people. In our neighboring city of Memphis there is not a firm that can boast of a more elegant and modernly equipped building.

The arrangement of the various departments was planned scientifically for the convenience and accommodation of the customer. The basement of the building will be devoted exclusively to floor coverings, china and glassware, cut glass and crockery. Mr. W. D. Williams and Miss Mattie Bell will have charge of this department.

The main floor, with a wide entrance from the street, is a beautiful assemblage to behold. The mahogany showcases, cabinets and mirrors add splendor in blending colors. Projecting from the walls a spacious mazzanine floor is provided for the ladies' ready-to-wear department, a ladies' rest room and lavatory and other departments. On the main floor the dry goods department is located on the right entrance, the men's clothing department on the left and in the rear end the shoe department is arranged in up-to-date order.

The sales organization of this firm is a strong and experienced working unit, many of the members having been connected with the Supply Company for a number of years. It has always been the custom of the management to employ men and women of morality and refinement. The members of the sales force are as follows: Messrs. J. P. Marshall, Charles McQuiston, H. D. McCaughey, W. A. Moore, James Shelton, Morris Taylor, Elmer Lindsey, Mesdames May Wood, Brown Lowenhaupt, Walker Shoaf; Misses Minnie Laura Whitaker and Margaret Williams, bookkeeper.

The officers are: W. L. Shelton, president and general manager; S. R. Shelton, Jr., vice-president; W. V. McFadden, secretary and treasurer. Mr. Gordon Campbell is the sales auditor and cashier.

The Supply Company was organized here in 1889 and during their business operation of more than a quarter of a century the firm has steadily grown into one of the largest retail establishments in West Tennessee. Their success is due to the active and personal supervision of the officials of the company, who have devoted their time exclusively to the business. Their business reputation in Tipton county is an enviable one. This is due considerably to the quality of goods they have offered to their customers from time to time. It is a well known fact that the firm handles only the standard brands of goods on which their customers can rely.

Ever since the existence of the company they have played an important part in the public welfare of Covington and Tipton county. The stockholders are native Tipton counts, most of them being born and reared in Covington. Consequently they are Americans with and act in the spirit of America. Covington has reason to be proud of this great retail institution, which would be a credit to any locality.

### LAWRENCE PAGE DEAD

The remains of Mr. Lawrence Page, aged 91 years, reached Covington from Marshfield, Mo., Saturday night for burial Sunday afternoon in Munford cemetery. Mr. Page died at his home in Marshfield on Thursday last week, after a short illness. He was a former citizen of this county and left here for Missouri in 1906.

Mr. Page was born March 8, 1830, in Pitt county, N. C., moving with his parents to Tipton county in 1833, locating near Covington. Later he resided in the Clifton neighborhood. On February 6, 1853, he married Miss Artimissa Anne Montgomery. To this union 10 children were born, of whom four survive—Messrs. William, Lawrence and Alfred Page and Miss Mattie Page, of Marshfield.

Mr. Page was a gallant Confederate soldier, having served in Company I, 12th Tennessee Cavalry under command of Col. J. U. Green. He represented the 12th district for about 14 years in the Tipton county court.

The funeral was held at the residence of Mr. J. H. Fortner on Elm street Sunday afternoon at 2:30 o'clock. Rev. Edward Stubbfield conducting the services, after which the interment followed in Munford cemetery.
